PRIMATECH**

End-walls

Stair casings

End-walls

Windows

Perfect tool for

- hallways • closets • end walls
- railings • radius • cabinets
- stair casings • jambs and trim
- custom floors • bath fixture
- appliances and much more

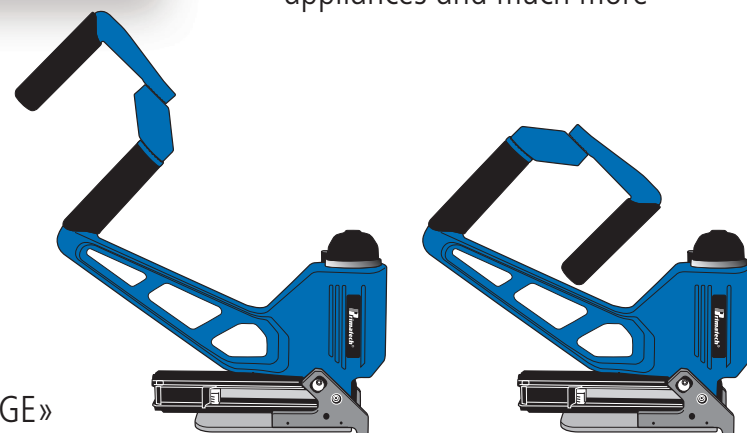

Developed with the "end-wall reach" in mind
"the *EDGE*" will save you up to **50%**
of the finishing process on every job. Spend less
time on your knees, create a neater job-site,
cut back on installation time and minimize
future call backs.

"the *EDGE*" is designed to blind nail
as close as 2" to the end-wall, at 45° with
the same holding power as the field.

Closets

900A «the *EDGE*»

Used with the Edge nails this system is designed
for most solid and engineered boards with a hard
core. Constant pressure and tension throughout
the work process provides a more uniform and
professional installation.
